Championships are to be decided on points with all horses ranked in each of the two tests. Rankings will be determined as per EA rules 3.19.

- o first places horses will be allocated 30 points
- o second will be allocated 29 points
- o third will be allocated 28 points and so on to the last placed horse
- o in the event of a tie, the Champion will be the horse with the highest aggregate percentage at that level
- o in the event of a further tie, the horse with the highest percentage in the higher competition at that level will be deemed the Champion
